THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI RAJIV PRATAP RUDY) : (a) to (c) India's exports of merchandise goods during 2001-2002, registered a decline of 1.17 per cent as compared to the previous year basically due to the global economic slowdown and the impact of events of September 11 and its aftermath. However, India's exports in April-May 2002-2003 has shown a positive growth of 10.46 per cent India's exports of merchandise goods recorded growth of 10.8 per cent and 19.7 per cent respectively during 1999-2000 and 2000-2001.

(d) Several short term interventionist measures have been taken by the Government to arrest the declining trend owing to the global economic slow down which *inter alia* include reduction in the export credit rate for both pre-shipment and post-shipment, special financial package to manufacturer exporters, extension of normal repatriation period up to 360 days, abolition of value caps in the case of DEPB for more than 400 export items. A medium term export strategy has been announced for the period 2002—2007, which aims at achieving 1 per cent of world exports by the year 2006-2007. Besides these, Exime Policy for 2002—2007 announced recently has also incorporated a number of measures to proactively promote exports which *inter alia* include permitting offshore Banking units in Special Economic Zones, a scheme to reimburse certain admissible expenses for export of certain agricultural products, development of clusters to help small scale exports, additional support for electronic hardware exports, further reduction in transaction costs, etc.
